—LEGAL—

The contents of this book rely on data published by the United States Government and its various agencies and departments, including but not limited to the General Land Office—Bureau of Land Management, the Department of the Interior, and the U.S. Census Bureau. The author has relied on said government agencies or re-sellers of its data, but makes no guarantee of the data's accuracy or of its representation herein, neither in its text nor maps. Said maps have been proportioned and scaled in a manner reflecting the author's primary goal—to make patentee names readable, and no effort was made to make them geographically accurate.

Neither the author nor publisher makes any claim that the contents herein represent a complete or accurate record of the data it presents and disclaims any liability for reader's use of the book's contents. Many circumstances exist where human, computer, or data delivery errors could cause records to have been missed or to be inaccurately represented herein. Neither the author nor publisher shall assume any liability whatsoever for damages caused by any errors, inaccuracies, omissions or other inconsistencies herein.

No part of this book may be reproduced, stored, or transmitted by any means (electronic, mechanical, photocopying, recording, or otherwise, as applicable) without the prior written permission of the publisher.

Surname/Township Index

This Index allows you to determine which *Patent Map(s)* contain individuals with the following surnames. Each *Patent Map* has a corresponding full-name index of all individuals who obtained patents for land within its Congressional township's borders. After each Patent-Map index you will find the actual Map to which it refers.

So, once you find your Surname here, proceed to the Index at the beginning of the **Map Number** (Map No.) indicated below.
